* Conditions for travelling with a Service Dog in the cabin.

No additional charges shall be applied for the carriage of Service dog in the cabin.

The dog cannot use its owner's seat. It must fit in the space available in front of the passenger's seat and it must not use the space of another passenger or block the corridor or the emergency exit.

Service Dog is characterized by having received training and they follow the orders given by their "owner."

In the event that the dog displays a behavior which is not consistent with its training the company may request additional information of the dog, its training and its usual behavior. For further information, please contact us at **+54 11 49404798** (WhatsApp) or at **0810-222-86527** (Call Center) or by e-mail **producto@aerolineas.com.ar**.

I hereby confirm that i have read that I meet any and all the necessary requirements to travel with a Service Dog:

1. I have read the conditions to travel with a Service Dog in the cabin.
2. I am responsible for any damages that the dog may cause before, during or after the flight.
3. My dog has been trained and has an ID Card that proves it is a Service Dog.
4. My dog fits in the space available between seats in front of me, and it can stay there during the whole flight.
5. My dog wears a harness or a vest and a leash so that it can be fastened while on board.
6. I can look after my dog during the whole flight.
7. The dog has been toilet trained so that it does not urinate or defecate during the flight.

Please show up early at the airport with a printed copy of this form, which you must complete with all the information required, to be submitted to the ARSA personnel before the relevant authorization is given.

* I have read and I accept all conditions included above. **Signature and print name:**
